

Action items 19 September 2012

AI: OCL needs a list (people who will be receiving certificates)

AI: To edit pages and format the Table (Heidi to do it)

The At Large page can be extremely overwhelming, how it fits into ICANN with photos of the actual members and then linking those to the videos collected , so people can see who the members are.

AI: To collect photos

AI: HU to follow up with ISOC CO.

Mailing list: Are there any people who are not active. Some people are not responding.

AI: Staff to set up a mailing list for the NARALO Toronto Events Participants.

AI: Staff to schedule the next Organizing Call for next week at the same day and time.
