3. Possible Policy Topics to focus on

According to the survey that we did last year the community responded and stated that they were most interested in the following policy topics:

- Accountability and Transparency
- Engagement and how to engage with stakeholders
- Internet Governance issues
- ICANN and the public Interest
- Security and Stability

Can we narrow these down?

How do we structure each of the sessions? Table Facilitators, note takers. Type of discussions,

4. Where to slot in ICANN Chair Göran Marby, John Curran and other key speakers
