

At-Large Board Member Selection Workspace - 2017

Welcome to the public workspace of the BCEC and BMSPC, which contains the planning and deliberations pertaining to the At-Large Board Member Selection process - 2017 Cycle

Board Candidate Evaluation Committee (BCEC) and the Board Member Selection Process Committee (BMSPC) are in charge of the At-Large Board Member Selection Process. The BCEC is responsible for delineating candidate requirements and expectations, calling for, identifying, and evaluating applications, and compiling the initial slate of candidates for the Board Director position. The BMSPC oversees the entire selection process for the At-Large Board Member, including the development of the selection timeline and the election culminating the process. Both groups have regionally balanced membership and operate in accordance with a strict code of conduct and high confidentiality.
