

# How do I find my way around?

Up: [Workspace Tour - Table of Contents](#)

Back: [Lists of pages](#)

- **"Home"** at the top left sends you to a welcome page with an outline of the structure of the Workspace.  
>> <http://base/images/docs/Workspace-Header-Home.png>
- **Click links** to browse around through the pages.
- Click **"Recent Changes"** right next to **"Home"** to see what's new and what has recently changed in the space.  
>> [http://base/images/docs/Workspace-Header-Recent\\_Changes.png](http://base/images/docs/Workspace-Header-Recent_Changes.png)
- **Search** from the top right to find pages with specific words in them.  
>> <http://base/images/docs/search.png>

For now, let's ask [can I change something?](#)
