You could create a page in a workspace to collaborate on document drafts:

## **Z-1000 Draft Marketing Collateral**

Acme Widgets is proud to present our new, advanced Z-1000 weed-trimmer and hair-styling widget. Its features include:

- a newly-designed rotor with twice the weed-trimming power
- 7 new hair-trimming attachments
- special bulk-pricing options for schools and institutions

...not to mention having [conversations](#) among team members.
