

# Socialtext Documentation

This is an index of the help topics available.

- For new users, [start here](#) for a tour of Socialtext.
- For workspace administrators, see also [Help for Workspace Administrators](#).
- For changes in this version, see [Release Notes for Socialtext 1.9.6](#). The immediately previous [Release Notes for Socialtext 1.9.4](#) are also available.

For additional support, send an email to customer support to [support@socialtext.com](mailto:support@socialtext.com). Feel free to [send feedback](#) or [report bugs](#). You can also ask questions in the [Socialtext Customer Exchange](#).
