This is the home page for ASIAPAC.

Please feel free to add or modify pages – even this one – as you see fit. That's the idea of a Workspace.

- If you'd like an **introductory tour** of the Socialtext Workspace, [Start here](#).
- Visit **Project Charters** in the left-hand column to see what's new, and see [for tips to use this workspace](#).
- Make links by putting words or phrases in square brackets. Click on **Edit This Page** to see some examples.
