19:02:13 From Herb Wayne Ombuds : Greetings everyone, nice to be able to spend some time with the AFRALO, I am trying to be more present in the regions now that we only "see" each other online.

19:04:59 From Yesim Nazlar : RTT: <https://www.streamtext.net/player?event=ICANN>

19:17:39 From Dave Kissoondoyal : Thanks Maureen for the clarifications

19:48:59 From Maureen Hilyard : It will be discussed in the next ALT+ meeting

19:49:01 From Dave Kissoondoyal : The implementation goes in line with the findings of the 2017 review

19:52:50 From Dave Kissoondoyal : This is a valid point made by Tijani

19:54:07 From Maureen Hilyard : The ALT+ is to allow the whole At-Large leadership members to contribute to the discussions. ALAC meetings are for updates and decision making..

19:56:35 From Dave Kissoondoyal : I personally think that the ALT has its raison d'être more so the former executive committee was replaced

19:57:20 From Dave Kissoondoyal : I do remember when I joined ALAC in the early days, we had the executive committee

19:59:46 From Dave Kissoondoyal : Perhaps there were no thorough discussions on the review itself.. Item no.4 does not make sense.. ALT makes too many decisions on its own – need more leadership involvement

20:00:00 From Herb Wayne Ombuds : Must drop for another call... take care all and stay safe

20:00:20 From Maureen Hilyard : Anything that is identified as needing changing then it can be included into our continuous improvement section..

20:00:34 From Silvia Vivanco : Thanks Herb

20:01:14 From Silvia Vivanco : We note your hand up Dave

20:01:38 From Maureen Hilyard : You can't change how we completed the tasks, they are done. Now we have to look to what we can do moving forward
