

At-Large Rules of Procedure Working Group Members

Description

This WG was created as part of the ALAC / At-Large Improvements Project to conduct a complete review of the ALAC's Rules of Procedure. This review will include consideration of the role, selection process and term length of the ALAC Chair and Vice Chairs (Any change of the term length of the ALAC Chair, as suggested by recommendation task 1.4, would require a change to the ALAC's Rules of Procedure). The work of ALAC and At-Large Metrics is a sub-Group activity of the Rules of Procedure Review WG (see <insert link from ALAC Meeting in Feb and to Wiki pages>) Cheryl Langdon-Orr will chair this WG.
