

# WHOIS Briefing call 31-01-2012 AC Chat

Seth Reiss:Do I need to sign in differently to present or be heard?

Seth Reiss:What is the call in number?

Nathalie Peregrine:i have jut promoted you to presenter \seth

Seth Reiss:OK, thanks. Can I just use my computer sound and mike or do I need to call in?

Nathalie Peregrine 2:you will need to disl in, where are you based?

Seth Reiss:I am in the US

Nathalie Peregrine 2:+1 213 233 3193 passcode 3535

avri:hi, will it be pssible to listen in without dialing in?

Nathalie Peregrine 2:no audio is enableed only on audio bridge

avri:ok, thanks

Seth Reiss:OK, I am in now

Charles Mok:Do we have an agenda, or I just hand it over to the facilitator Holly to help lead? :)

Jim Galvin:Hi everyone.

Salanieta Tamanikaiwaimaro:Hi everyone

Charles Mok:Oh i see the agenad now. Sorry

Salanieta Tamanikaiwaimaro:Hi Liz! Thanks for this briefing

Salanieta Tamanikaiwaimaro:Slide was too fast

Holly Raiche:but the two gTLD - .com and .org do thin whois

Salanieta Tamanikaiwaimaro:what's PDP?

Heidi Ullrich:Policy Development Process within the GNSO

Salanieta Tamanikaiwaimaro:I see

Salanieta Tamanikaiwaimaro:What's SSAC?

Salanieta Tamanikaiwaimaro:Hi Seth

Liz Gasster:SSAC = Security and Stability Advisory Committee, one of ICANN's advisory committees

Cheryl Langdon-Orr:Been here for a short while... joined audio about 10 past hour <start if call time>

Salanieta Tamanikaiwaimaro:I see problems with having a single whois policy given the diversity of cyber security legislative instruments and privacy legislative instruments across different jurisdictions

Heidi Ullrich:All presenters' slides have been posted on the agenda page: <https://community.icann.org/display/atlarge/WHOIS+Briefing+call>

Salanieta Tamanikaiwaimaro:Thanks

Salanieta Tamanikaiwaimaro:Thank you for the immense work done in preparing the report and I look forward to reading it and giving feedback

Cheryl Langdon-Orr:Thanks Sethh this has been most helpful...

Cheryl Langdon-Orr:Yes Jim

Salanieta Tamanikaiwaimaro:Interesting

Salanieta Tamanikaiwaimaro:that makes sense "Domain Name Registration Data" etc

Seth Reiss:Hi Sala - thank you.

Heidi Ullrich:The Whois RT Draft Report PC closes on 18 March

Cheryl Langdon-Orr:Not from Me Holly

Rinalia Abdul Rahim:Nothing from me also.

Charles Mok:not for me

Sivasubramanian M:none from me at the momen t

Salanieta Tamanikaiwaimaro:The briefing was very informative and provide a useful context before i start reading

Cheryl Langdon-Orr:Yes indeed I agree @ Sala => Thanks for this Jim ... Thank You again Seth :-)

APRALO Call and mainly on mute as will be driving hoime from city...

Salanieta Tamanikaiwaimaro:Thank you Jim for the resourceful and insightful presentation

avri:i think the data set just defines the possible range for policy. policy determines which elements of the data set are used.

Salanieta Tamanikaiwaimaro:x: a < x < y

Heidi Ullrich:At-Large Workspace on Whois RT Draft Report: <https://community.icann.org/display/alacpolicydev/At-Large+WHOIS+Policy+Review+Team+Draft+Report+Workspace>

Charles Mok:Thanks everyone! Thanks Holly for chairing :)

Heidi Ullrich:Carlton Samuels has drafted the statement

Salanieta Tamanikaiwaimaro:Thank you everyone for the most excellent briefing

Salanieta Tamanikaiwaimaro:Thank you Liz/Seth/Jim

Salanieta Tamanikaiwaimaro:Thank you Holly for Chairing
