Terri Agnew: Beran Gillen has joined

Terri Agnew: Welcome Avri Doria

Leon Sanchez: Music!

Terri Agnew: we are locating line

Alan Greenberg: Apparently that is what working means!

Leon Sanchez: nothing like a good piece of music to cheer up the spirit!

Terri Agnew: Welcome Glenn McKnight

Alan Greenberg: Olivier. I believe that the CWG report goes out on Wednesday, not today.

Olivier Crepin-Leblond: thx for the reminder - yes 48H ok. Still better than in 1 month :-)

Terri Agnew: Master schedule of all Meetings CWG IANA <https://community.icann.org/x/6grxAg>

Heidi Ullrich: The week of the 27th - in the most globally friendly time 19:00-21:00 UTC for the webinar.

Alan Greenberg: An extra 10 days would NOT really make a difference if you were starting the process of understanding the proposal without a strong background.

Avri Doria: then again eye that have never seen this might see stuff those of us who live and breath it may be useful.

Avri Doria: well if even the short part up front was translated, that might help, but i have heard NOTHING about translation.

Avri Doria: It is not all that coherent yet. maybe we will work miracles in the next few days.

Alan Greenberg: @Avri, it HAS been the practice to translate Exec Summaries. I certainly they are doing the comparable thing here which is as you suggest.

Jean-Jacques Subrenat: Olivier, the general policy for Language Services in ICANN is to provide translation (and interpretation when available) in the 5 UN languages (+ Portuguese in some cases).

Heidi Ullrich: @Alan, for clarity, I believe 'interpretation' is being discussed - rather than 'translation', correct?

Alan Greenberg: @Heidi, yes, BUT, I think that a webinar in (for instance) Arabic is not particularly useful if the draft proposal is only in English. We do not know whether it will be or not.

Avri Doria: there will be translation

Avri Doria: just asked. now asking what languages

Avri Doria: says it was discussed on the meetings. i just missed.

Terri Agnew: Design Team list: <https://community.icann.org/x/qgwnAw>

Olivier Crepin-Leblond: Re: Interpretation & having more people on the call (the wider community) we could send invitations out to ISOC, for example, for their chapters to attend

Avri Doria: i am sure they will catch up with all the updating in the near term.

Olivier Crepin-Leblond:<https://community.icann.org/display/gnsocwgdtstwrshp/DT-F>

Avri Doria:right now they are trying to get the report out.

Avri Doria:Marika is busily adding all of our comments to the report. Comments which are due today.

Eduardo Diaz:More than a hundred pages. Last I saw was 101 pages.

Avri Doria:I spent yesterday reading it. entertaining.

Heidi Ullrich:Hi All, I will need to drop off the call as well.

Eduardo Diaz:Agree.

Sébastien:Have you the link to the last draft report of the CWG?

Olivier Crepin-Leblond:no. Not yet.

Terri Agnew:CCWG Accountability: <https://community.icann.org/x/IIMHAW>

Olivier Crepin-Leblond:The report sent out during the week end is listed on the Agenda -- <https://community.icann.org/pages/viewpage.action?pageId=52897330> Item 4b. It has both Redline & the clean copies

Olivier Crepin-Leblond:My response here was to @Sébastien

Sébastien:Merci

Eduardo Diaz:Sebastian: I sent you a copy to your [bacholet.com](mailto:bacholet.com) address

Sébastien:Thanks Eduardo

Avri Doria:history is always interesting, but in this case it may be confusing. previous membership was about individuals. this is membership by the SOAC

Sébastien:@Avri good input

Jean-Jacques Subrenat:@Avri, very good points.

Avri Doria:people have suggestion going down a level to SG and RALO etc.. and i see no reason why these groups could not establish their illegal identities elsewhere. good question for legal.

Jean-Jacques Subrenat:@Avri: yes.

Olivier Crepin-Leblond:Leon: Sabrina the EN/ES Interpreter has indicated she can extend for another 10 minutes

Olivier Crepin-Leblond:Thanks Sabrina!!!

Jean-Jacques Subrenat:Goodbye All!

Leon Sanchez:Thanks everyone!

Gordon Chillcott:Bye, all.

Eduardo Diaz:Adiois
