

# ICANN Finance and Planning Community Group Workspace

## ICANN Planning Process

ICANN's Planning Process cycle has a threefold approach encompassing a Strategic Plan, a Five-Year Operating Plan, and an Annual Operating Plan & Budget. The cycle culminates with Achievement & Progress Reporting.

The Five-Year Operating Plan is a new addition to our planning process and is in response to the public's comments.

\*\*ICANN's Annual Operating Plan and Budget includes the IANA and PTI Annual Operating Plan and Budget.
