

Action Items 10 February 2009 WG2

- N Ashton-Hart to list, by 12 February, areas which have been widely of concern and comments with links to some of the proposals as well as excerpts to some of the text of proposals that have been made in respect of various areas of accountability and prevention from capture.
- Staff to send an email to the WG discussion list for the election of a 2nd Chair and a rapporteur – preference of the group is for an English native speaker for the position of 'rapporteur' and a 2nd Vice-Chair that would come from the African region.
- Staff to see for an Adobe connect room briefing session for the WG2 leads, perhaps organize it with the help of IT
