We should also take note and reference of the following: <http://forum.icann.org/lists/gtld-guide/pdf130PkUCCib.pdf>

Which one person in the community (not me) has characterized, quite humorously, as "US Government Bitch-slaps ICANN on new gTLDs"

contributed by guest@socialtext.net on 2008-12-22 15:05:23 GMT

It's already listed under comments. It's the "letter from the the NTIA to the Chairman of the Board of Directors of ICANN".
