

Older Announcements WHOIS WG

Currently active: A WHOIS Working Group was chartered by the GNSO on 28th March 2007 and it will conclude work on or before 26th July. You can find out the current state of play on the mailing list (see above); further information can also be found at <http://gnso.icann.org/mailing-lists/archives/council/msg03357.html>.

If you wish to join the discussions, please review the archived information for potential WHOIS WG members at: <http://forum.icann.org/lists/gnso-whois-wg/msg00000.html>

June 2007

The WHOIS working group is now working around the document attached to this list message: <http://forum.icann.org/lists/gnso-whois-wg/msg00460.html>
