## ALAC vote on objection statements

With the [RALO advice on At-Large Objection Statements](#) given, the ALAC considered the filing of the objection statement against:

- [Applicant "DotHealth, LLC" for the ".HEALTH" string](#)
- [Applicant ""Goose Fest, LLC" for the ".HEALTH" string](#)
- [Applicant "dot Health Limited" for the ".HEALTH" string](#)
- [Applicant "Afilias Limited" for the ".HEALTH" string](#)

with a [conference call on Friday March 8 2013](#) , followed up with a [Material for review by the ALAC regarding objection statements to 4 new gTLD applications](#) email

The ALAC voted on whether to file the objection against each applicant (ie there were 4 individual votes). Each vote was of the form:

*"Do you support the filing of an objection by the ALAC for the Applicant <name of applicant> for the ".HEALTH" string <[link to wiki page with objection statement](#)>?"*
