Objection Statement produced by the gTLD RG for RALO review

The PDF of the objection statement can be viewed at [draft-objection-statement-against-applicant-DotHealth-LLC-for-.HEALTH-25-feb-2013.pdf](#)

Members of the gTLD RG considered the comments from the At-Large community as of February 8 2013 and ranked each factor of the four tests for [community objection grounds](#) based on these comments and discussions.

gTLD RG members gave the factors of the 4 tests a "pass" and therefore, an objection statement was drafted by the gTLD RG based on this initial review.

Comment on this objection statement

Please review the initial comments that were received by the gTLD RG. At-Large members are encouraged to read and post comments.

NOTE: You must be logged in to post comments. **If you do not have a wiki account, please email your comment to the gTLD RG group at newgtldrg@icann.org and the group will update this wiki page.**

The gTLD RG reserves the right to remove comments that do not adhere to ICANN's [Expected Standards of Behavior](#) and [Open Comment Forum Process and Standards](#).
