

# At-Large Policy Review Committee Workspace

The specific responsibilities of the PRC should include advising the ALAC as early as possible of:

- ALAC comments needed in response to upcoming Policy Comment periods;
- At-Large community briefings, documentation or translations needed for upcoming Policy Comment periods;
- The degree of interest that the RALOs and ALSes have in the ALAC's submitting comments during Policy Comment periods; and Policy issues (and other concerns) relevant to end users that are *not* on the PCS but that the RALOs and ALSes are interested in bringing to ICANN's attention.

In order to perform its function, the PRC should be comprised of:

- The Chair and Secretariat of each RALO;
- At least two additional representatives from each RALO;
- The ALAC Rapporteur; and

The ALAC liaisons to the various ACs, SOs and cross-constituency WGs.
