Gisella Gruber-White: @ Cintra - sorted

Gisella Gruber-White: Hong has joined the call

Gisella Gruber-White: @ Hong - your line is noisy so we have muted you. Please press *7 to unmute and raise your hand if you wish to speak - I will then double check to make sure we can hear you

Hong Xue: Okay, muted. Tonight is Chinese Lantern Festival so I guess it was the cracking sounds of fireworks.

Dev Anand Teelucksingh: Draft Text : <http://dl.dropbox.com/u/877052/new-gTLD-WG/6-feb-2012/Draft-At-Large-ALAC-Process-for-considering-and-making-objections.pdf>

Heidi Ullrich: and you have hosting rights again ;)

Cintra Sooknanan: thanks

Sebastien: I am just joining from LA

Evan Leibovitch: In At-Large we are dealing with huge numbers of people who are not aware that we exist, let alone maintain a wiki

Hong Xue: Hi, my line was cut.

Sebastien: Sebsequent... is it for me ;)

Gisella Gruber-White: @ Hong - we are calling you again

Evan Leibovitch: "The document's primary author"...?

Hong Xue: Okay, I managed to call back myself. Thanks anyway.

Gisella Gruber-White: thanks

Gisella Gruber-White: @ Hong - due to the fireworks, we have muted your line

Gisella Gruber-White: we will unmute when you speak

Evan Leibovitch: if google docs and dropbox are blocked, then maybe the best way is just to have a file that can be downloaded from the confluence site

Dev Anand Teelucksingh: indeed, all documents are uploaded to the wiki

Heidi Ullrich: The cover letter has just been delivered in FR and ES.

Cintra Sooknanan: I'm disconnected

Cintra Sooknanan: :(

Gisella Gruber-White: @ Cintra - we are calling you now

Cheryl Langdon-Orr: @Avri Yes re the NOT wanting to convene again before sending off to next steps for production => ALAC if we just switch positions of aged text I see no need to reconvene... as long as it is In keeping with the meeting record...

Gisella Gruber-White: @ Dev - audio will be available shortly after the call - will inform you via Skype
