

New gTLDs WG 23-01-2012 Action Items

Action Items - New gTLDs WG
23 January 2012

Further investigation is necessary regarding the Confluence plug ins...

OCL, AD and DAT to work with the GAC and relevant staff on adding the At-Large requests for the Objection automatic tool.

A wiki is to be created for posting the issues relating to gTLD and end users.- COMPLETED
