Yaovi Atohoun: Hello everybody. Bonne Annee 2012

Gisella Gruber-White: I have disconnected - back shortly

Gisella Gruber-White: Back again!

Yaovi Atohoun: I am on the call

CLO: hard to hear Gisella (and Avri) can we bump up audio levels on the line at all or is it just me here in the antipodeas?

Gisella Gruber-White: Olivier sends his apology - he is on another call

Gisella Gruber-White: Please mute your computer speakers if you have Skype on

Hong Xue: Finally get in. I had to be very patient with the call bridge.

Gisella Gruber-White: Andrew Mack has joined the call

Alan Greenberg: Bad line - Very difficult to understand

Hong Xue: I assume the support is only for application, not priority for evaluation.

Heidi Ullrich: Andrew and Alan have been muted.

Dev Anand Teelucksingh: if there was a 2nd round, would the gTLD string applied by the needy applicant in the 1st round be somehow locked out to prevent potential applicants in the 2nd round from applying for that gTLD string?

CLO: I doubt that Dev

Sebastien: additional reserve funds? As the 2MM is already coming from reserve funds

avri: <https://community.icann.org/display/atlarge/Comments+on+New+gTLD+Applicant+Support+Program+--+Financial+Assistance>
