

# New gTLDs WG 16-01-2012 AC Chat

<p>Evan Leibovitch:Hi Cintra Evan Leibovitch:Will you be in San Jose? Yaovi Atohoun:Hi Everybody Nathalie Peregrine:Hello everyone Yaovi Atohoun:Is there a chart like the one at <a href="http://newgtlds.icann.org/en/applicants/tas">http://newgtlds.icann.org/en/applicants/tas</a> including the payment with the support scenario Yaovi Atohoun:?? Evan Leibovitch:Hi. Just double tasking between this and another group. CLO:hi there Evan Leibovitch:If you could let me know when the agenda proper starts (when Dev starts talking about the objection procedure) and I'll switch Cintra Sooknanan:sure Evan Dev Anand Teelucksingh:Hi, everyone Heidi Ullrich:Dev, you have host rights. Please post the doc you wish when you wish! Dev Anand Teelucksingh:The flowchart from last week: <a href="http://dl.dropbox.com/u/877052/new-gTLD-WG/9-Jan-2012/Objection-flowchart-9-January-2012.pdf">http://dl.dropbox.com/u/877052/new-gTLD-WG/9-Jan-2012/Objection-flowchart-9-January-2012.pdf</a> Heidi Ullrich:This is a test case for :Working Smarter/Not Harder - on behalf of At-Large staff and Olivier Yaovi Atohoun:I am disconnected and have requested to be called back in Heidi Ullrich:Thanks, Cintra!! Heidi Ullrich:I've given you host powers so that you can take notes in the Notes 6 pod. Heidi Ullrich:Staff will still note Als Nathalie Peregrine:you are showing as connected on the bridge, but the operator will disconnect you and call you back Nathalie Peregrine:@Yaovi Cintra Sooknanan:sorry I am dropped from the call Cintra Sooknanan:please dial out to me Yaovi Atohoun:thanks Nathalie Peregrine:we'll dial back Cintra Sooknanan:thanks Yaovi Atohoun:I am back in the call. Thanks Nathalie Peregrine:excellent Evan Leibovitch:On the call Dev Anand Teelucksingh:Page 153, "3.2.2.4 Community Objection" CLO:Yes Dave it was the 'cost' to raise an objection in the DR process that the "free use 'credits' for GAC &amp; ALAC was discussed the IO pathway is of course another option that needs exploring... CLO:I agree @Avri CLO:especially in these 'early rounds' Nathalie Peregrine:Andrew has disconnected Evan Leibovitch:+1 Avri Evan Leibovitch:I'm really not 100%, I can barely follow CLO:Such ops groups need to be 'in existence in EAQCH of the RALOs / Regions as well IMO Heidi Ullrich:I'm getting used to my Iphone and the urge to click everything overtook me :) CLO:LOL @ Heidi Evan Leibovitch:Perhaps we should only wake up these mechanisms in case that an ALS-initiated objection exists? Publish the list and see where the objections come from? Heidi Ullrich:At-Large staff have been in touch with GAC support staff re the automated objection tool. There shouldn't be an issue to piggyback. Cintra Sooknanan:I cannot access notes 6 anymore Heidi Ullrich:you should be able to again, Cintra Olivier Crepin-Leblond:I'll be following up with the GAC representative &amp; CC'ing you on the correspondence, Dev. Dev Anand Teelucksingh:thanks, Olivier CLO:We just not used to such self determination :-) CLO:usuall just "pressed Ganged into these things := Heidi Ullrich:Al: AL staff to as for info re GAC automated system for objections Cintra Sooknanan:</p> <p><a href="http://newgtlds.icann.org/en/applicants/tas/demo\\">http://newgtlds.icann.org/en/applicants/tas/demo\\</a></p> <p>Cintra Sooknanan:</p> <p><a href="http://newgtlds.icann.org/en/applicants/tas/demo\\">http://newgtlds.icann.org/en/applicants/tas/demo\\</a></p> <p>Cintra Sooknanan:</p> <p><a href="http://www.elliotsblog.com/tldh-files-first-20-gtld-applications-9491\\">http://www.elliotsblog.com/tldh-files-first-20-gtld-applications-9491\\</a></p> <p>Dev Anand Teelucksingh:</p> <p><a href="http://www.icann.org/">http://www.icann.org/</a></p> <p>has videos of several press conferences covering the start of the gTLD applications CLO:Thanks for making sure we knew about that Avri... CLO:the ASP update I mean Tijani BEN JEMAA:I don't know if every body is hearing Avri well, but her voice is very low for me CLO:hear Hear @ Alan Evan Leibovitch:We'll take out achievements where we can find them :-) Cintra Sooknanan:CALL DROPPED!!! Cintra Sooknanan:({ Heidi Ullrich:Thanks for great chairing and note taking!! Cintra Sooknanan:didn't capture the pending action items Nathalie Peregrine:callover Cintra Cintra Sooknanan:HAHA Olivier Crepin-Leblond:Thanks everyone! Cintra Sooknanan:ok bye CLO:Only carry over AI was the Wiki page for Comments On new gTLDs list when out CLO: that isaff OCL &amp; CLO now owned by st CLO:Bye for now...</p>
