Description:

For those who attended the "Better Online Presentations" webinar, Jonathan has agreed to host a follow up workshop to help those who are interested to use the virtual camera software that he demo'd at the end of the webinar. Virtual camera software allows you to mix video, powerpoints, images and text into your camera feed so that you can give a more sophisticated presentation and easily switch between your video and your slides. This workshop will give you the chance to try the software with Jonathan online to help you with any problems.

Please download and install the **FREE SplitCam** software at splitcam.com before the workshop.

Agenda:

1. Introduction - Staff (2min)
2. Welcome and Overview of Workshop - Jonathan Zuck (5min)

3. SplitCam Presentation and demonstration - Jonathan Zuck (10min)
4. Open Discussion, trial by attendees, sharing screens for questions. - All (40min)
5. Final comments - Jonathan Zuck (3 min)
6. Survey
