

What is the DNS?

As part of the work for [At-Large Community Onboarding](#) being done by [Dev Anand Teelucksingh](#), [Isaac Maposa](#) and [Beran Dondoh Gillen](#) for the ICANN Community Onboarding Project, this is a **preliminary** first draft of "What is the DNS?"

Its goal is to give an basic understanding of the underlying concepts on

- the DNS
- how the DNS is coordinated

to those persons that could be potential members of At-Large.
