

2020 - Draft Final Report - Webinars

In March 2017, the ccNSO Council resolved to initiate a Policy Development Process (PDP) to develop policies for Review Mechanisms and on the retirement of ccTLDs. The initial focus was on retirement of the ccTLDs then development of policy for a Review Mechanism. ([Issue Report](#))

The Working Group on the retirement of ccTLDs has completed their substantive work and produced a draft report. The full report will be published for public comment at the end of April/early May. In preparation, Working Group will conduct two webinars:
