from Silvia Vivanco to all participants:

ver link arriba

from Silvia Vivanco to all participants:

send us the document DEv

from Carlton SAMUELS to all participants:

My hand up please

from Silvia Vivanco to all participants:

Claudia will post it in webex

from Silvia Vivanco to all participants:

if not today, send it to us and we will post it on the Governance wiki page

from Dev Anand Teelucksingh to all participants:

I do have a older spreadsheet showing an election of a motion in 2012 which I did when I was secretariat

from Lance Hinds to all participants:

Carlton is correct

from Dev Anand Teelucksingh to all participants:

I just need to update it

from Vanda Scartezini to all participants:

hi LAnce. yes, remember the first assembly.

from Lance Hinds to all participants:

Surprised that that in view of the concept and intent of the country coefficient that this still needs to be explained.

from Alberto Soto to all participants:

mano levantada

from Gisella Gruber to All Attendees:

Gracias Alberto

from Alberto Soto to all participants:

tengo la mano levantada

from Silvia Vivanco to all participants:

anotado Alberto

from Alberto Soto to all participants:

tengo la mano levantada

from Alberto Soto to all participants:

gracias Silvia

from Vanda Scartezini to all participants:

my question is - does the index may be works to reduce the ALSs in each country?

from Vanda Scartezini to all participants:

just to guarantee those not in favor to understand well the index

from David Plumb to all participants:

Thanks Vanda for clarifying

from David Plumb to all participants:

Alberto, esperame un segundo gracias!!

from Alberto Soto to all participants:

ok David

from Dev Anand Teelucksingh to all participants:

I pledge to have the sheet ready by the next call

from Alberto Soto to all participants:

si

from Silvia Vivanco to all participants:

Thank you DEv

from sergio salinas porto to all participants:

ok 1 alberto

from Vanda Scartezini to all participants:

yes. you right Dev. The table will be the solution. I was just trying to make it clear to those against the index idea

from Dev Anand Teelucksingh to all participants:

and I've been busy and setbacks. My home got flooded

from Lance Hinds to all participants:

The issue raised by Alberto can be apply to any region.

from Lance Hinds to all participants:

can apply

from Gisella Gruber to All Attendees:

Sorry to hear that Dev.

from Vanda Scartezini to all participants:

sorry to hear Dev. hope is clear now..

from Alberto Soto to all participants:

I regret dev

from Carlton SAMUELS to all participants:

Thank you Sergio. Diversity of opinion and consensus building are very important!

from Dev Anand Teelucksingh to all participants:

Yes, just have holes in ceiling where water fell through

from Alberto Soto to all participants:

ya bajé la mano

from Jacqueline Morris to all participants:

It's to ensure diversity and working towards consensus in policy. It's not about positions. The Sub regions speaks to positions.

from Alberto Soto to all participants:

la lelvanté nuevamente

from Gisella Gruber to All Attendees:

Gracias Alberto anotado

from Carlton SAMUELS to all participants:

Diversity of opinion even in countries. A minority opinion in one country or region is not necessarily a minority opinion in LACRALO as a whole is very important. Intern

from Jacqueline Morris to all participants:

Exactly, Carlton.

from David Plumb to all participants:

Next to you Lance. One momento

from Vanda Scartezini to all participants:

agree with Carlton

from Alberto Soto to all participants:

vieja

from Alberto Soto to all participants:

antigua

from Alberto Soto to all participants:

antigua

from Dev Anand Teelucksingh to all participants:

Yes, I'll meet it

from Vanda Scartezini to all participants:

LANCE I am in favor of the index as you said. Argentina however has 10 and I believe Carlos Aguirre had the question just because of this concentration of ALS in just one country.

from David Plumb to all participants:

Jacqueline, please go ahead

from Vanda Scartezini to all participants:

jackie...

from Vanda Scartezini to all participants:

th floor is yours

from Dev Anand Teelucksingh to all participants:

+1 jacqueline

from Carlton SAMUELS to all participants:

I will drop off now. Thank you all. Bye all

from Silvia Vivanco to all participants:

Please note : Subsequent conferences will be held every Tuesday at 23 UTC.

from Silvia Vivanco to all participants:

MARTES a las 23 UTC/Tuesdays at 23 UTC

from Vanda Scartezini to all participants:

yes jackie. we were just raising voices as agreed with David in the beginning of this call.

from Silvia Vivanco to all participants:

every week

from Alberto Soto to all participants:

Thanks everyone, gracias a todos!! Bye Bye!!

from Vanda Scartezini to all participants:

quizá Alberto o Sergio puede habalr con Carlos Aguirre en Argentina

from Vanda Scartezini to all participants:

gracias a todos

from Jacqueline Morris to all participants:

Thanks everyone for a valuable discussion. See you next Tuesday.

from Vanda Scartezini to all participants:

excelent week

from Silvia Vivanco to all participants:

Thank you every one

from Harold Arcos to all participants:

Gracias a todos,,,gracias a Staff e Intérpretes,,,,Buenas noches a todos

from sergio salinas porto to all participants:

bye!

from Silvia Vivanco to all participants:

Good night

from David Plumb to all participants:

Thank you staff and interpreters!

from Silvia Vivanco to all participants:

thanks for joining
