Olivier Crepin-Leblond:but Malvinas would be included in LAC region from EUR region. Isn't this a good thing, as far as Argentina is concerned?
Sylvia Herlein Leite:yes, but not as an independent state
Fatima Cambronerero:Argentina does not recognize Falklands as an independent territory but as part of its territory and sovereignty
Olivier Crepin-Leblond:France recognises French Guiana as belonging to France, yet French Guiana is mentioned by name in the Geo Regions Document.
Fatima Cambronerero:Malvinas is different to French Guiana
Olivier Crepin-Leblond:French Guiana (French: Guyane française; French pronunciation: [ʒijan fsz]; officially just Guyane) is an overseas region of France, consisting of a single overseas department
Sylvia Herlein Leite:good explanation Fatima
Natalia Enciso:Thanks
Olivier Crepin-Leblond:It is not a "territory" but a "département" which makes it an integral part of France
