Holistic Review Pilot Project

- Terms of Reference Team

The purpose of the Pilot Holistic Review Terms of Reference Team is to work collaboratively to develop the Terms of Reference for the Holistic Review Pilot. The team includes a subset of former ATRT3 members, of the Organizational Effectiveness Committee of the Board, facilitated by ICANN org. The ICANN community will have an opportunity for input on the final Terms of Reference through the Supporting Organizations and Advisory Committees, and the completed Terms of Reference would be an important input for future prioritization and budgeting across ICANN.
