

# AC Chat: 2019-01-23 ATLAS III Working Group Call

Yesim Nazlar: (1/23/2019 19:40) Welcome to the ATLAS III Working Group Call taking place on Wednesday, 23 January 2019 at 18:00 UTC.

Yesim Nazlar: (19:40) Agenda: <https://community.icann.org/x/8JIWBg>

Lianna Galstyan: (20:56) Hi everyone

Filina Natalia: (20:57) Hello everyone! Nice to see you again-

Ali AlMeshal: (20:57) hello everyone

Ejikeme Egbuogu: (20:57) hello everybody

Aris Ignacio: (20:58) hello everyone!

Joanna Kulesza: (20:58) hi everyone

Lilian Ivette De Luque: (20:59) Hi everyone

Glenn McKnight-NARALO: (21:01) Hi

Hadia Elminiawi (ALAC): (21:01) Hello all

Fouad Bajwa: (21:02) hello all

Pierre-Jean Darres: (21:02) Hi

Heidi Ullrich: (21:02) Welcome, All!

Heidi Ullrich: (21:03) Only 282 days until ATLAS III :)

Cheryl Langdon-Orr (@CLO3): (21:03) Hi Hadia thank you for all your great work in the EPDP meeting(s) recently we hear yiu and Alan are indeed "... doing us proud"

Priyatosh Jana 2: (21:03) hi everyone

Cheryl Langdon-Orr (@CLO3): (21:03) Good Grief @Heidi that is terrifying :-)

Heidi Ullrich: (21:04) @CLO, I wanted to help set the context of today's call :)

Cheryl Langdon-Orr (@CLO3): (21:04) \*\* shudder\*\* gee thanks @Heidi :-)

Cheryl Langdon-Orr (@CLO3): (21:07) Ahh the halcyon days of capacity building on the ALSes

Glenn McKnight-NARALO: (21:08) What happened. I am on a call on CROP with Ozan with Dev

judith hellerstein: (21:08) I am on audio only as I am at another event

Glenn McKnight-NARALO: (21:08) no audio for me, for a few more minutes

Beran Gillen 2: (21:09) hello everyone

Heidi Ullrich: (21:09) ATLAS I Workspace: <https://community.icann.org/display/atlarge/ICANN+34++Mexico+City+At-Large+Summit++March+2009>

Beran Gillen 2: (21:09) am I the only one with an echo

Beran Gillen 2: (21:09) ?

Heidi Ullrich: (21:09) ATLAS II Workspace: <https://community.icann.org/display/als2/At-Large+Summit+II+Home>

Ali AlMeshal: (21:10) no echo

judith hellerstein: (21:10) no echo

Cheryl Langdon-Orr (@CLO3): (21:10) and the emergence of the RALOs as completed structures (they were new then to) All the WG etc., from the lead up to and the outcomes of the ATLAS back then are on the Wiki and your welcome to browse... It's purpose was to Capacity Build, Focus on Policy Issues and expose "us" as a community in a good light to the wider ICANN Community...

Beran Gillen: (21:10) ok went out and back in

Beran Gillen: (21:10) no echo is thanks @judith

Beran Gillen: (21:11) @Ali

Cheryl Langdon-Orr (@CLO3): (21:11) So the purpose was specific and suitable to the time... (not our purpose this time around of course)

Dave Kissoondoyal: (21:11) Hi all.. sorry i am late.. i had issues connecting to the AC room

Cheryl Langdon-Orr (@CLO3): (21:12) With our ALAC at ATLAS1 we had about 75 of us all together

Alan Greenberg: (21:12) Sorry to be late.

Alan Greenberg: (21:12) I have someone coming shortly and I may have to step away from the meeting.

Nadira Alaraj: (21:12) apology for being late I was on another meeting

Cheryl Langdon-Orr (@CLO3): (21:13) So... ATLASII it was larger in number and a more wide spread matter but focussed on consolidation and development of our role in ICANN

Cheryl Langdon-Orr (@CLO3): (21:14) there was as well as OCL is stating a more clear focus on RALO development and purpose.

Cheryl Langdon-Orr (@CLO3): (21:15) and \*\* NOW\*\* ATLASIII :-)

Alan Greenberg: (21:15) It is not only costs. We also now are trying to make sure the process is effective and useful.

Cheryl Langdon-Orr (@CLO3): (21:16) Inded Alan

Alfredo Calderon (NARALO): (21:16) So now, ATLAS III, is to enhance Leaderships skills and increase pool of new leaders!

Alan Greenberg: (21:16) Not on bridge yet, but please note me comment above.

Cheryl Langdon-Orr (@CLO3): (21:17) No go ahead I am here for support of the current team (though deeply involved (obviously) in all three... I am capable of typing

Vanda Scartezini: (21:17) sorry to be late

Alfredo Calderon (NARALO): (21:17) +1 Glenn. It needs to be efficient and effective.

Cheryl Langdon-Orr (@CLO3): (21:17) I might have a word on a few things to say on purposees etc., as we come through

Vanda Scartezini: (21:17) i was driving and a cane just crashed with the glass of the car so I got late . everyone well so no other problem

judith hellerstein: (21:18) +1 Alfredo's

Olivier MJ Crépín-Leblond: (21:19) ATLAS I: [https://urldefense.proofpoint.com/v2/url?u=https-3A\\_\\_atlarge.icann.org\\_events\\_atlas1-2Den&d=DwlFaQ&c=FmY1u3PjP6wrcrwl3mSVzgfkbPSS6sJms7xcl4I5cM&r=mrDeztziKLa7gZqGADzxcnHA3QXmXYsnChWYBR4NEII&m=iqiYKi9KQt8gLV1sVgULSEUmU-JFdcdPS3-hCSKWjzo&s=Qbhj1YAvkjJBbAgF5dZjhGL\\_nJjXZx9xLbNDIJg2Y0s&e=](https://urldefense.proofpoint.com/v2/url?u=https-3A__atlarge.icann.org_events_atlas1-2Den&d=DwlFaQ&c=FmY1u3PjP6wrcrwl3mSVzgfkbPSS6sJms7xcl4I5cM&r=mrDeztziKLa7gZqGADzxcnHA3QXmXYsnChWYBR4NEII&m=iqiYKi9KQt8gLV1sVgULSEUmU-JFdcdPS3-hCSKWjzo&s=Qbhj1YAvkjJBbAgF5dZjhGL_nJjXZx9xLbNDIJg2Y0s&e=)

Dave Kissoondoyal: (21:19) Thanks God, you are safe Vanda

judith hellerstein: (21:19) @vanda hope you are ok

Cheryl Langdon-Orr (@CLO3): (21:19) of course Tijani we now have proper and continuous ways of engagement in important policy work , such as the very successful and 'new' Consolidated Policy WG... Far better than just occasionally focussed activities like ATLASII

Olivier MJ Crépín-Leblond: (21:19) ATLAS II: [https://urldefense.proofpoint.com/v2/url?u=https-3A\\_\\_archive.icann.org\\_en\\_meetings\\_atlas2014\\_atlas.icann.org\\_&d=DwlFaQ&c=FmY1u3PjP6wrcrwl3mSVzgfkbPSS6sJms7xcl4I5cM&r=mrDeztziKLa7gZqGADzxcnHA3QXmXYsnChWYBR4NEII&m=iqiYKi9KQt8gLV1sVgULSEUmU-JFdcdPS3-hCSKWjzo&s=F7SmRQUJ6V91hAsTKNeMBwReiwDPnsIMRx4VbmHjN4&e=](https://urldefense.proofpoint.com/v2/url?u=https-3A__archive.icann.org_en_meetings_atlas2014_atlas.icann.org_&d=DwlFaQ&c=FmY1u3PjP6wrcrwl3mSVzgfkbPSS6sJms7xcl4I5cM&r=mrDeztziKLa7gZqGADzxcnHA3QXmXYsnChWYBR4NEII&m=iqiYKi9KQt8gLV1sVgULSEUmU-JFdcdPS3-hCSKWjzo&s=F7SmRQUJ6V91hAsTKNeMBwReiwDPnsIMRx4VbmHjN4&e=)

Fouad Bajwa: (21:22) indeed wonderful developments since last atlas with in policy areas

Alfredo Calderon (NARALO): (21:23) @Vanda, glad to know no major or personal harm came to you or others.

Vanda Scartezini: (21:24) thanks alfredo. we are ok. my husband is driving while I am listen to the call

Fouad Bajwa: (21:24) @olivier, how about policy issues sprints leading to outcome oriented exercises

Yesim Nazlar: (21:25) ATLAS III Home Page: <https://community.icann.org/x/8ptEB>

Lianna Galstyan: (21:25) @Vanda, greetings to Jorge

Cheryl Langdon-Orr(@CLO3): (21:25) Why are you all thinking of this as a "Policy Meeting" we now have those ICANN wide every year now  
Cheryl Langdon-Orr(@CLO3): (21:26) c'mon people BUILD a future not navel gaze and hold 'convocatiojn'  
Sivasubramanian M: (21:26) We could move beyond capacity building at atlas3  
Cheryl Langdon-Orr(@CLO3): (21:26) PERFECT Maureen!!!  
Alfredo Calderon (NARALO): (21:26) I agree @Cheryl. We now need to think 'out of the box'.  
Cheryl Langdon-Orr(@CLO3): (21:26) brilliantly said!!1  
Cheryl Langdon-Orr(@CLO3): (21:26) Clearly I'm biased here ;-)  
Cheryl Langdon-Orr(@CLO3): (21:27) we need many new well developed Thought Leaders and Change agents out in our Community as an \*outcome\* from this new type of ATLAS  
Fouad Bajwa: (21:27) policy sprints could be changemaking like Cheryl says out of the box thinking  
Cheryl Langdon-Orr(@CLO3): (21:29) Policy happens in the SO's and we need more input at the right time into those processes @Fouad that can happen with the right enthusiasm from the Members of RALOs and ALSes and that takes the \*right\* people out in those spaces working to effectively make that happen  
Fouad Bajwa: (21:30) Cheryl you are absolutely right!  
Cheryl Langdon-Orr(@CLO3): (21:30) and the CPWG is a great place to well as the name says Consolidate Policy thinking for ALAC input that is proving itself already  
Cheryl Langdon-Orr(@CLO3): (21:31) Perhaps Sub Teams within the 2 primary Sub Groups might be a clearer nomenclature for your use  
judith hellerstein: (21:35) when does the application period begin  
ABDELDJALIL BACHAR BONG: (21:35) Hello All / Bonsoir à tous sorry for joining late .  
judith hellerstein: (21:36) what is the training program that started in Jan 1  
Glenn McKnight-NARALO: (21:36) I assume ICANN learn?  
Glenn McKnight-NARALO: (21:37) NASIG Montreal is set for Oct 31 and Nov 1. and we will pick up the hotel for the ATLAS 3 attendees for NASIG  
Cheryl Langdon-Orr(@CLO3): (21:38) Expressiona of Interest are a good way to take applications I would encourage that and you can develop the form AS you develop the key criteria  
Cheryl Langdon-Orr(@CLO3): (21:38) what pre skills and ICANN Learn corses need to be completed etc., comes to mind as example  
Alfredo Calderon (NARALO): (21:39) Thank You!  
judith hellerstein: (21:39) yes @clo exactly  
ABDELDJALIL BACHAR BONG: (21:40) Yes we need to have a list of Some Must Course to complete on ICANNLEARN and ALSO SOME ALAC CAPACITY BUILDING WEBINARS...  
Raymond Mamattah: (21:42) When do we get details of the ICANNLearn?  
ABDELDJALIL BACHAR BONG: (21:42) [https://urldefense.proofpoint.com/v2/url?u=https-3A\\_\\_learn.icann.org&d=DwlFaQ&c=FmY1u3Pjp6wrcrwl3mSVzgfkbPSS6sJms7xcl4l5cM&r=mrDeztziKLa7gZqGADzxcnHA3QXmXYSnChWYBR4NEll&m=iqiYKi9KQt8gLV1sVgULSEUmU-JFdcdPS3-hCSKWjzo&s=qUNY2MxvG2gc1Jx8K2O6Y-ZfGK13OQEE7IISd78eSBk&e=](https://urldefense.proofpoint.com/v2/url?u=https-3A__learn.icann.org&d=DwlFaQ&c=FmY1u3Pjp6wrcrwl3mSVzgfkbPSS6sJms7xcl4l5cM&r=mrDeztziKLa7gZqGADzxcnHA3QXmXYSnChWYBR4NEll&m=iqiYKi9KQt8gLV1sVgULSEUmU-JFdcdPS3-hCSKWjzo&s=qUNY2MxvG2gc1Jx8K2O6Y-ZfGK13OQEE7IISd78eSBk&e=)  
Olivier MJ Crépin-Leblond: (21:43) @Raymond: as soon as a curriculum is decided on. ICANN Learn Staff are ready and this is going to be one of the first decisions of the group  
Olivier MJ Crépin-Leblond: (21:43) it might be a good idea to already register yourself for ICANN learn so you can see what's already out there  
Nadira Al-Araj: (21:43) @Raymond you can start with [Learn.ICANN.org](https://www.learn.icann.org) anytime on your own time  
Alfredo Calderon (NARALO): (21:44) Group A: Will this happen before the individuals apply? Is it a combination of before they apply and once the applicants are selected?  
Raymond Mamattah: (21:45) The various Volunteers, will it be a virtual volunteering or we shall have to be present at ATLAS III physically?  
Alfredo Calderon (NARALO): (21:46) Group B: What is the total amount of contact hours expected during ATLAS III?  
Cheryl Langdon-Orr(@CLO3): (21:46) in fact ICANN Learn is designed as self paced Learning it is ideal to start any time and go back and review /redo as new courses come up or are modified, as Many of us even oldies do  
Lianna Galstyan: (21:47) there's an echo  
Alfredo Calderon (NARALO): (21:48) Some one has an open MIC  
Cheryl Langdon-Orr(@CLO3): (21:48) I think it is actually an open line  
Dev Anand Teelucksingh: (21:48) Re: Group A - thinking should be a subgroup within O&E so there is better coordination  
Nadira Al-Araj: (21:48) Yes, there is a TV in the background  
Cheryl Langdon-Orr(@CLO3): (21:49) Co-ordination with OandE and indeed ARIWG in all this planning is essential  
Olivier MJ Crépin-Leblond: (21:49) Block Schedule: <https://community.icann.org/download/attachments/71605234/ATLAS%20III%20Draft%20Block%20Schedule.pdf?version=1&modificationDate=1546871720000&api=v2>  
Cheryl Langdon-Orr(@CLO3): (21:49) one of the reason people like me are in these calls :-)  
Lianna Galstyan: (21:49) also, coordination with the SMWG  
Nadira Al-Araj: (21:50) SM stands for what?  
Heidi Ullrich: (21:50) Social Media  
A-Eduardo Diaz: (21:51) @Raymond: All work will be done virtually  
Harold Arcos: (21:51) About subsequent follow-up, the procedures of the Fellowship program will be very useful.  
A-Eduardo Diaz: (21:51) However, ATLAS III is f2f  
Alfredo Calderon (NARALO): (21:51) Is the allocated spaces subject to change?  
Heidi Ullrich: (21:51) @Olivier, could you please repeat the color coding now that the draft is up?  
Cheryl Langdon-Orr(@CLO3): (21:52) This Block schedule allows the TYPE of room and facilities to be secured as Gisella can ensure you was essential Meeting rooms needed to be secured already  
Heidi Ullrich: (21:52) There will also be facilitation skill development  
Cheryl Langdon-Orr(@CLO3): (21:52) Fixed  
Cheryl Langdon-Orr(@CLO3): (21:52) all about room allocations  
Cheryl Langdon-Orr(@CLO3): (21:53) you can drop a few but not change or add any  
Cheryl Langdon-Orr(@CLO3): (21:53) and your budget is \*very finite\*  
Cheryl Langdon-Orr(@CLO3): (21:53) so that block schedule \*is\* I beleive your skeleton of framework  
Alfredo Calderon (NARALO): (21:54) dagogical and strategic point of view for the prgramming sessions is not userfriendly.  
Cheryl Langdon-Orr(@CLO3): (21:55) But Alfredo why do \*tou\* think this is a framework you all cant fit the work into???  
Alfredo Calderon (NARALO): (21:55) @Gisella, thank you. That might need to happen.  
Cheryl Langdon-Orr(@CLO3): (21:55) it is generous IMO and experience  
judith hellerstein: (21:55) I hav got to run as I have another meeting  
Olivier MJ Crépin-Leblond: (21:58) BTW -- re: ICANN Learn, I have taken many courses in the past month and have both really enjoyed it and learnt things I did not know!  
Olivier MJ Crépin-Leblond: (21:59) so please register and play around with it. It's likely that several of these courses are going to be compulsory for participants so it's good to know what they are about  
Cheryl Langdon-Orr(@CLO3): (22:00) Indeed OCL many modules are good for all of us to do even if we're "experts"  
Alfredo Calderon (NARALO): (22:00) @Olivier, what happens if some individual has already taken a course, before it is redesigned? Or even taken it as a

Fellow or Mentor, will that be consider as taken for ATLAS III. I am guessing, yes!

Fouad Bajwa: (22:01) thank you Maureen

Cheryl Langdon-Orr(@CLO3): (22:01) TANKS everyone Looking forward to working with you all

Hadia Elminiawi (ALAC): (22:01) Thank you all

Lianna Galstyan: (22:01) Thanks everyone, this was a good start

Hadia Elminiawi (ALAC): (22:01) Bye

Beran Gillen: (22:01) thank you all

Heidi Ullrich: (22:01) Thank you, All!

Fouad Bajwa: (22:01) thank you all

Cheryl Langdon-Orr(@CLO3): (22:01) Bye for now

Ali AlMeshal: (22:01) thanks all bye

Beran Gillen: (22:01) bye

A-Eduardo Diaz: (22:01) Bye

Lilian Ivette De Luque: (22:01) bye

Harold Arcos: (22:01) thank you Maureen

Filina Natalia: (22:01) thank you!

Lianna Galstyan: (22:01) bye

Alfredo Calderon (NARALO): (22:01) Bye!

Dev Anand Teelucksingh: (22:01) take care all

Priyatosh Jana 2: (22:01) bye

Kaili Kan: (22:01) Bye!

Pierre-Jean Darres: (22:01) Bye!

Abdulkarim Oloyede: (22:01) I have a couple of questions but i would elam Maureen

Harold Arcos: (22:01) Thanks all,,,bye bye

Abdulkarim Oloyede: (22:01) email

Raymond Mamattah: (22:01) Good night

Abdulkarim Oloyede: (22:01) thanks

ABDELDJALIL BACHAR BONG: (22:01) YES @Olivier Digital trade and Global Int Gov

ABDELDJALIL BACHAR BONG: (22:01) Is a Good Course

ABDELDJALIL BACHAR BONG: (22:01) thanks

ABDELDJALIL BACHAR BONG: (22:02) bye
