Cheryl Langdon-Orr (@CLO): (09:00) Hi Leon, thaks for joining us after such a busy and demanding day

Holly Raiche: (09:00) Hi Leon

Leon Sanchez: (09:00) Thanks Satish

Leon Sanchez: (09:00) Thanks Cheryl

Leon Sanchez: (09:00) Thanks Holly

Silvia Vivanco: (09:00) Hello all welcome!

Maureen Hilyard: (09:01) Great to see you here Leon.

Leon Sanchez: (09:02) Thanks Maureen! My pleasure :-)

Maureen Hilyard: (09:02) Hi to Tom Dale a new ALS member from Australia

Holly Raiche: (09:02) Could we get started while we wait for Shreedeep - this is a very full agenda

Amrita: (09:02) Hi All

Lianna Galstyan: (09:03) Welcome, Tom

Holly Raiche: (09:03) Welcome Tom

Lianna Galstyan: (09:03) exactly, Satish

Tom Dale: (09:03) Thank you Maureen, a nice change from GAC support which I have now left.

Cheryl Langdon-Orr (@CLO): (09:05) So we need to find *lots* of things for Tom to consider doing with us in his new voluteer capacity... He's far to good a talent to allow off the hook totally ;-)

Maureen Hilyard: (09:06) @Cheryl.. +1

Tom Dale: (09:06) Maybe it was more fun when I was being paid for ICANN work...

Justine Chew: (09:06) Hi. Just for staff to note -- I made a correctional edit to the SUMMARY for the "Supplemental Initial Report on the New gTLD Subsequent Procedures Policy Development Process (Overarching Issues & Work Tracks 1-4)" Statement which first appeared on the CPWG 9 Jan 2019 agenda page. The edit wasn't picked up in subsequent replications of that summary eg the At-Large Executive Summary page (new) (item 4 on today's agenda) as well as the recent APRALO newsletter. Not fatal but the uncorrected text makes the communique a little misleading. :)

Leon Sanchez: (09:07) Thanks so much for the warm welcome Satish :-)

Hilmi Ghalib: (09:07) Hi Everyone and Good day!

Lianna Galstyan: (09:07) Hello Hilmi and welcome

Ali AlMeshal: (09:09) Hi Hilmi

Yesim Nazlar: (09:09) @Justine: Thank you for the corrections

Cheryl Langdon-Orr (@CLO): (09:10) Fingers crossed for the COnsent Agenda

Leon Sanchez: (09:10) The At-Large implementtion plan is currently in the consent agenda for the Board meeting that will take place later this month in LA

Justine Chew: (09:10) @Yesim, should I highlight the edit on today's agenda so you have a record of it too?

Cheryl Langdon-Orr (@CLO): (09:10) Keep us posted Leon :-)

Leon Sanchez: (09:11) The OEC recommendation to the Board is to approve the implementation plan

Justine Chew: (09:11) @Leon: Yay!

Leon Sanchez: (09:11) Yes Cheryl. I will keep you posted :-)

Cheryl Langdon-Orr (@CLO): (09:11) :-) any time night or day my friend

Justine Chew: (09:25) @Yesim, just for the record, the last sentence in the summary of the ALAC Statement I mentioned should read as... "The ALAC also notably does not support a total ban of all forms of private resolutions, but are strongly in favor of disallowing forms of private resolutions which result in a 'losing' applicant gaining or being promised a financial benefit in return for withdrawing their application in a contention set, including and especially private auctions." Thanks!
