

ICANN64 GNSO Remote Participation Details Open and Public Meetings

Please find below the Remote Participation details for all the GNSO Open and Public Meetings during ICANN64 in Kobe from the 9th March 2019 to the 14th of March 2019.

Remote Participation Tips:

There are three means in which to access the audio during ICANN meetings:

- The Adobe Connect room audio, which is STREAMING ONLY, and needs a steady connection.
- The Audio stream which is available on the main schedule by clicking on the meeting you would like to listen to
- The Audio Bridge, which implies dialing in using your phone, and is the most stable audio connection. To do this, please select a dial in number from the tab below. The audio operator will ask you for an audio passcode which you will find in the meeting information, classified by days in the tables below.
