Section I: Description and Explanation

During the 2018 [NCPH Intersessional Meeting](#) in Los Angeles, NCPH delegates agreed to develop a list of intra-House processes for the selection of a representative to fill Board Seat #14, to be jointly approved by the CSG and NCSG. The election procedures for Board Seat #14 was identified as a priority item by both the CSG and NCSG. It was agreed that the procedures should include a clear timetable, to enhance awareness of the applicable deadlines for each stage of the procedures (e.g., the candidate nomination process, and formal selection process). Following the 2018 Intersessional meeting, draft procedures were developed by the delegates and shared with their respective communities, for vetting and internal feedback, prior to formal adoption by the CSG and NCSG.

Section II: Background

The ICANN Bylaws, [Section 11.3\(f\)](#) specify that the Non-Contracted Parties House shall select a nominee to fill Board Seat #14. Based on the NCPH's mandate as described in the ICANN Bylaws, and the requirement under the GNSO Operating Procedures that these procedures be included as a documented Annex, the NCPH developed the current proposed procedures to facilitate the election process.
