

3. Communications and Coordination Work Team - Home

The GNSO Communications and Coordination Team will develop proposals for Council consideration based on the Board's endorsement of recommendations outlined in the 3 February 2008 Report of the Board Governance Committee GNSO Review Working Group on GNSO Improvements (BGC WG Report). Those recommendations for increased communication effectiveness and efficiency within the GNSO and improved coordination with other ICANN structures - including members of the ICANN Board, other Supporting Organizations (SOs) and Advisory Committees (ACs) – include, but are not limited to:

1. Develop new GNSO website requirements
2. Improve the GNSO's ability to solicit meaningful feedback
3. Improve the GNSO's coordination with other ICANN structures
