FY20 Flexible Funding At-Large Workspace

PILOT PROJECT: FY20 FLEXIBLE FUNDING TO FACILITATE POLICY DEVELOPMENT & ADVISORY ACTIVITIES BY ICANN'S SUPPORTING ORGANIZATIONS AND ADVISORY COMMITTEES

Objectives:

This proposal is intended to provide funding, on a pilot basis, for specific, identified projects or activities within ICANN's Supporting Organizations and Advisory Committees (SOACs)that:

- **Are timely, important and not requested or otherwise budgeted for in FY20;**
- **Facilitate effective participation in ICANN policy and technical work; and**
- **Enhance SOACs' efficiency in performing their policy development and advisory work.**

Full details are available here.

Additional details, including procedures and criteria, are expected to be announced at the end of January or beginning of February 2020.
