

# UDRP Drafting Team

This is the home of the Uniform Domain Name Dispute Resolution Policy (UDRP) Drafting Team space.

## Current Status of the Drafting Team's Work

The Drafting Team is providing guidance to Staff (Margie Milam) in researching and preparing the Issue Report requested by the GNSO Council on 3 Feb 2011. The following activities are related to this effort:

- A Webinar on the Current State of the UDRP was held on 10 May 2011
- A Preliminary Issue Report on the UDRP was published by Staff prior to the ICANN Singapore Meeting at: <http://www.icann.org/en/public-comment/prelim-report-udrp-27may11-en.htm>
- A session on the UDRP was held during the Singapore Meeting
- [A Final Issue Report on the UDRP](#) was published prior to the Dakar Meeting, on 3 October 2011
- The GNSO to consider whether to commence a policy development process (PDP) on the UDRP after considering the Final Issue Report
