13:29:40 From Natalia Filina to Everyone : It was our idea in 2020, so maybe will realize it!!! GEMS-)

13:30:41 From Roberto Gaetano to Everyone : GEMS is a problem if online - latency of the network makes it difficult - but maybe Andrei has a good solution

13:30:57 From Yrjö Lansipuro to Everyone : We have been discussing a virtual GEMS for a year now, but have not found a usable applicvion

13:31:10 From Gisella Gruber to Everyone : Also for those interested in joining the At-Large ICANN71 Planning Committee, please let me know! Policy Forum, Policy Focus

13:33:16 From Olivier Crépin-Leblond to Everyone : impossible to make it work.

13:33:22 From Olivier Crépin-Leblond to Everyone : hundreds of people have tried.

13:33:23 From Natalia Filina to Everyone : solution-)

13:33:31 From Olivier Crépin-Leblond to Everyone : and the latency is a real problem

13:33:44 From Olivier Crépin-Leblond to Everyone : only possible for people within a 50Km radius of each oter

13:33:52 From Olivier Crépin-Leblond to Everyone : possible within a 100Km radius

13:33:55 From Roberto Gaetano to Everyone : We were thinking of something for EuroDIG, as ICTP has a LOLA link, but most of the other players do not

13:34:01 From Olivier Crépin-Leblond to Everyone : but more and it just does not work

13:34:19 From Roberto Gaetano to Everyone : Maybe when 5G will be more deployed...

13:34:23 From Lutz Donnerhacke to Everyone : It can work, if you pass a token around to have only a single Audio source...

13:34:29 From Olivier Crépin-Leblond to Everyone : one way would be to pre-record something by having a single track that gets passed on from person to person and each person adding their bit to the master trac

13:34:44 From Olivier Crépin-Leblond to Everyone : and then the track can be shared

13:34:56 From Yrjö Lansipuro to Everyone : Using Garage Band?

13:35:03 From Olivier Crépin-Leblond to Everyone : gather.town is something we should check out for a EURALO event

13:35:07 From Lutz Donnerhacke to Everyone : Yep, Olivier. Record, Remix and have playback

13:35:18 From Roberto Gaetano to Everyone : sorry for the old hand

13:35:19 From Lutz Donnerhacke to Everyone : But this is complex and take time

13:35:50 From Olivier Crépin-Leblond to Everyone : I have tried to get GEMS to do a single track.... but it is hard for a person to start it off by themselves

13:36:20 From Andrey Kolesnikov (real) to Everyone : Remote play takes a lot of time!!! Mixing stuff together

13:37:54 From Natalia Filina to Everyone : WE may try again @Olivier-) This looks like the brightest option (and a long-awaited one!!!!) as a social event from EURALO

13:40:58 From Andrey Kolesnikov (real) to Everyone : Get vaccine. It's quite easy in Russia. What is forecast for EU? I hope there will be some kind of travel covid passport soon

13:42:13 From Gisella Gruber to Everyone : UK talking about Covid Travel Passport - controversy, discrimination ... but we are doing well with our vaccinations!

13:42:31 From Lutz Donnerhacke to Everyone : @Andrey I hope, that I can get my first shot in August

13:43:42 From Lutz Donnerhacke to Everyone : <https://docs.google.com/document/d/1fbFYkESGWMeWEBICPQ4awDMEyTCGHtmQ9mulwKrGw4/edit>
