

# Outreach Survey

As part of its assignment, the SOI TF "is expected to solicit input from the ICANN community on the current use and experience with SOIs as well as suggestions for possible improvements at an early stage of the process". In order to solicit this input, the TF launched a survey amongst the ICANN Community. The input received in response of this survey was reviewed and considered by the TF as part of its deliberations. The input can be reviewed [here](#):
