

At Large Advisory Committee 11 August 2010

Welcome to the At-Large Advisory Committee's Workspace

This is the At Large Advisory Committee's internal workspace, but not the only one. ALAC also works at <https://st.icann.org/gnso-liaison/> and at <https://st.icann.org/idn-policy/> and <https://st.icann.org/raa-policy/> and <https://st.icann.org/ipv6-migration/> (so far...) Unfortunately, the proliferation of wikis means that the "What's New" link no longer shows all the recently-changed pages.

The wiki is accessible to the public as a read-only site, but guests are welcome to add comments to pages. All committee members may edit the contents as necessary.

For changes on other workspaces associated with ALAC and the At-Large community, please use the [Dashboard](#) link at the top of this page (or of any other workspace you are a member of).

[ICANN MEETINGS](#)

ICANN holds meetings 3 times a year in locations around the world. These meetings constitute an essential part of ICANN's global consensus-development and outreach efforts and therefore members of the public should join face-to-face where feasible. Questions regarding hosting a meeting should be sent to meeting@icann.org. More about ICANN's international meeting and schedule can be found at <http://www.icann.org/meetings>.
