Description:

This workshop will have the objectives of giving participants the tools to express their ideas in a clear, safe and authentic way, to have efficient interactions managing language interactions between people from different geographical regions, especially with Latin America and Caribbean people. Also, to learn how to communicate effectively through social networks and how to adapt to each of the different existing social networks to reach more audiences and capture their attention.

Thursday, 23 February 2023 at 12:00 UTC
