

AFRALO ROP WG REVIEW 2023

Background and Scope of work : The Leadership of AFRALO considered the comments that were made with regards to review of our rules of procedure and we are hereby proposing a 2 phase approach to reviewing the RoP, the first phase will address the specific aspect of our RoP to bring some clarity certain section of the current rules of procedure.

The **first phase** of the review shall focus on the following:

- Provide clarity on the nomination process including who can be nominated and who can nominate
- Provide further clarity on the ALS accreditation process including timelines
- Address any other editorial changes that could make the RoP much comprehensible

The report of phase 1 and draft RoP shall then be presented at our upcoming GA for members consideration and approval. Feedback shall also be provided by members on further improvements that can be made to serve as input for phase 2 review of the RoP.
