

At-Large Working Group on Future Challenges - Monthly Reports

Forward Challenges Working Group (FCWG):

- A) The FCWG finalized its draft text on "Making ICANN Relevant, Responsive and Respected" (R3), <https://community.icann.org/download/attachments/34603268/R3+Paper+-+FINAL.pdf?version=1&modificationDate=1348181393255>. The members of the ALAC have been asked to approve R3 as an ALAC White Paper (poll open 20-27 September 2012). If approved, R3 will then be forwarded to the ICANN Board and others, and opened to public debate during ICANN-45 in Toronto, and beyond.
- B) The next meeting of the FCWG is scheduled on Monday 15 October 2012 (13:20 - 14:30) in Toronto, with the following draft agenda:
 - R3 paper, the way forward.
 - Will be used as a reference in the NPOC session in Toronto, being prepared by Alain Berranger,
 - what other contacts?
 - Increased revenue at ICANN: an opportunity to serve the global public interest?
 - Compliance in ICANN: should this discussion continue within the FCWG, or elsewhere in ALAC?
 - AOB.
