How to Join

The ISPCP is represented primarily through Associations recognized as qualified to represent a broad range of commercial interests within the ISPCP.

Business and commercial entities are also allowed to apply for membership if they:

1. Are ISPs or connectivity providers, and
2. Demonstrate, that the activities of the gNSO commercially affect themselves, and
3. Understand, that the Delegates appointed need to participate on a regular basis in the work of the Constituency.

To apply for ISPCP Membership, please complete our online application form: https://www.ispcp.info/index.php?option=com_mcform&view=ngforms&id=13081#/

Please note that applying entities should show they fulfill either set of the following criteria:

- They are an association representing a broad range of commercial interests within the ISPCP, or
- They are an ISP or connectivity provider (within the definition of the [articles](#)), are affected by the activities of the GNSO and agree that their Delegate will be requested to regularly participate in the work of the constituency.
