| <b>10) Proposed Goals and Outcomes:</b>  | The goals of attending this conference are to outreach and engage with a new set of potential contributors to the ICANN. The attendees hail from a diverse spectrum across the sustainability and innovation with over 3,000 participating organizations, 1, 6000 conference delegates, 250 conference speakers and 50 countries represented for 2016. During these conference sessions I will be able to engage and interact with attendees on trends and issues pertinent to ICANN and its mission. I will look to distribute ICANN materials, recruit ALS's, and discuss ICANN resources for this community. |                        |   |              |             |              |                   |                 |           |     |             |             |  |
