

DT-IPR IANA Intellectual Property Rights

Mailing list address: dt-ipr@icann.org

Mailing list archives: <http://mm.icann.org/pipermail/dt-ipr/>

Purpose:

Propose the principles and requirements for the names community for a post-transition home for the IANA IPR.

Timeline:

Given that the other operational communities are ahead of us on this and very interested to communicate and collaborate as necessary, there is some urgency to this work. Ideally, a update/draft should be ready for the CWG meeting on 5th November.
