

Meeting and events

1. Listing of civil society conferences and meetings. These are past and future events relevant to ICANN civil society.
There are two pages:
[Past events](#), held before end January 2017
[Future events](#), listing of events from February 2017 -
2. Materials from calls and meetings with community members about the engagement strategy ([Teleconferences and meetings](#)) Usually including agenda, links to any notes, recording, transcripts, and archive of the adobe connect room (if used)
