

Mailing List Observers

Mailing list observers – for those who are merely interested to monitor the CCWG conversations, there is the possibility to sign up as a mailing list "observer" which offers read-only access to the mailing list. Mailing list observers will not be permitted to post, will not receive invitations to the various meetings or calls of the CCWG (note that audio streaming will be provided for those interested to follow the CCWG meetings) and will not have to complete a statement of interest. At any point in time, a mailing list observer can join the CCWG as a participant simply by informing ICANN staff.
