Purpose of Drafting (sub)Team(s)

As part of preparing his Issue Report, the Issue Manager for the ccNSO policy Development Processes suggested the ccNSO Council to establish drafting (sub) teams, which will develop the charters for the following working groups under the PDP(s):

- Develop the review mechanism of decision pertaining to the delegation, transfer, revocation and retirement of ccTLDs and
- Develop recommendations for a policy on the retirement of ccTLDs.
