David McAuley (RySG):none here

Farzaneh Badii:hmm I like the spelling of Whyte in the captioning.

Steve DelBianco:Agree with Tatiana and Greg -- there is no applicable concept of Quorum or representation here

Cheryl Langdon-Orr (CLO):yup

Farzaneh Badii:These are documented , verifiable issues we have been reporting on, you get one answer or 100 , they are issues we need to work on. totally agree with Tatiana

Farzaneh Badii:oh Greg just said what I said ...

David McAuley (RySG):Steve said more directly what I meant to say - but if someone gave an opinion we will see it

Philip Corwin:Regrets that I must drop off this call to join another in 2 minutes

Bernard Turcotte Staff Support:Re French translation - working on getting a date

Farzaneh Badii:no one signed up for IGP response? is it too difficult ? :)))

Tatiana Tropina:Farzaneh, shall I take your response for analysis too?

Tatiana Tropina:I wanted to :)

Tatiana Tropina:yeah.

Tatiana Tropina:but not for the next meeting.

Tatiana Tropina:and may be someone takes it.

Tatiana Tropina:allow me! :) to take more job

Tatiana Tropina:I took Russian reponse just in case if there are nuances in translation

Farzaneh Badii:) hopefully can be analyzed soon. I can't sign up for my own response!

Bernard Turcotte Staff Support:time check 29 minutes left in call

Tatiana Tropina:Farz, I want to analyse yours

Tatiana Tropina:But Greg said they should wait to allow me O_o.

Farzaneh Badii:oh !

Bernard Turcotte Staff Support:these are suggestions as to analyze or not and analysis is not about being considered or not

Bernard Turcotte Staff Support:so it can be presented to this group

Tatiana Tropina:For yellow - we can analyse after we analyse green

Tatiana Tropina:I certainly can go through them

Tatiana Tropina:at some point :)

Thiago Jardim:ICANN's thoughts on personal jurisdiction in this case were simply an application of US jurisdictional laws to the case, wasn't it?

Thiago Jardim:According to US jurisdictional standards, while ohio's courts would have lacked personal jurisdiction to judge the case, the courts of some other US State would have met the personal jurisdiction requirement.

Bernard Turcotte Staff Support:Time Check - 10 minutes left in call

Thiago Jardim:Please forgive me for asking this: were today's cases the first ones to be presented in a meeting?

avri doria:several have been discussed in earlier meetings

Thiago Jardim:thanks, avri.

David McAuley (RySG):I'll take one more

avri doria:i would have never had the timerity to take one on if i had not first listened to the lawyers who went before me.

Bernard Turcotte Staff Support:he is listed as a member
