3) Special Travel Circumstances, Arrangements, Explanations, or Notations:
(Please identify each traveler, as applicable)

Jacqueline Morris and Humberto Carrasco are travelin to LAC-i Roadshow in Panama.
However, Humberto Carrasco is a supported traveller to ICANN 62 from 25 to 28 June 2018.

Given Humberto is a supported traveler to ICANN62, he can use the ICANN Travel funding for ICANN F2F meetings to fly to Panama and return. The CROP proposal is only for this hotel stay from 20 to 23 June. This is indeed an exception (it would be 4 nights) but given the savings of not having to pay for the flights, it is up to CROP staff to decide whether this exception is possible, given the cost savings of not paying for the flight.

Jacqueline Morris is not attending ICANN62 and can be processed in the regular manner.
