Maria Otanes: Welcome to the ccPDP Working Group on Retirement meeting on 20 July at 12:00 UTC

Maria Otanes: hi Nigel, welcome

Nigel Roberts: hello everybody

Nigel Roberts: Maria, can you arrange a call out to +44 20 7100 4319 please.

Nigel Roberts: I dialled in, but the system wouldn't accept the 5258

Maria Otanes: no problem. dialing out to you now

el: I tried twince and went in on the second try

Nigel Roberts: I have two calls!

Kim Davies: Howdy

el: And I use SIP via one of the toll free numbers. That seems to work better that the Adobe Connect

el: Hi Kim.

Maria Otanes: hi Kim, welcome

Michele Neylon: afternoon

Bart Boswinkel: Hi All

Svitlana Tkachenko, .UA: Hello all!

Garth MIller: Hi

Martin Boyle: I can't connect audio via AC

Michele Neylon: the dial in seems to be the sanest option

Abibu: hello all

Michele Neylon: Elise said she'd be on a plane I think

Stephen Deerhake (.as): Greetings all.

Martin Boyle: Can I only get audio via dial-in?

Maria Otanes: @Martin, you should be able to get audio via Adobe Connect as well. will private chat you

Kim Davies: You can only listen via Adobe Connect. If you wish to speak I believe you have to be on the phone.

el: I forgot the muting

Stephen Deerhake (.as): +1@el and Michele

Michele Neylon: is there a link??

el: Hang on

Kim Davies: Google for "Nigel Roberts' Rules of Order" ;-)

el: https://en.wikipedia.org/wiki/Robert%27s_Rules_of_Order

el: We will read everything twice during calls

el: as previously suggested

Joke Braeken: absolutely, will make a note of it

jaap akkerhuis: Finally got sund & mike

Stephen Deerhake (.as): Can we get Frank Marsh out of retirement? ;-)

Mirjana Tasic .rs: Sorry I am late

Maria Otanes: document is scrollable

Michele Neylon: his line isn't very good

Michele Neylon: hard to hear him

Kim Davies: Note that what was called "ISO 3166" in 1994 is called "ISO 3166-1" today

Michele Neylon: ok all I'm getting now is noise

Maureen Hilyard: musical interude

jaap akkerhuis: I can try to find out which version was active at the time of writing 1591

Svitlana Tkachenko, .UA: The sound is very bad :(

Mirjana Tasic .rs: No sound at all

jaap akkerhuis: Some versions had some parts of the reserved names in it as well

Martin Boyle: silence via adobe connect

el: We need to get a copy of the ISO 3166 for each member of the group

Abibu: audio breaking!

Martin Boyle: is there an example of reserving names, please?

Kim Davies: It was.

Bart Boswinkel: My understanding is that the rule

el: much better

Bart Boswinkel: That i swhat I meant with differnc ein terminology

Mirjana Tasic .rs: CS for Serbia and Montenegro was a little bit earlier 2002_

el: Mirjana, the exact year doesn't really matter as we are looking towards future cases

Mirjana Tasic .rs: thank el I will be still

el: No, please don't :-)-O

Danko Jevtovic: Sorry I am late, trafic :(

Abibu: no audio!!!!

Maria Otanes: @Abibu, will private chat you

Mirjana Tasic .rs: It is very important not to have clear situation how ISO is working, I agree

Maureen Hilyard: @Abibu - I had to reboot AC

el: of the Standard

Stephen Deerhake (.as): Withdrew hand; El made my point regarding terminology.

Kim Davies: https://www.iana.org/reports/2007/um-report-10jan2007.html

Kim Davies: IANA called it a revocation

el: thanks

Patricio Poblete 2: The FOI report in several places equates "revocation" to "unconsented redelegation"

Stephen Deerhake (.as): Can we do what we did informally with the FoI-WG?

Stephen Deerhake (.as): Exactlly.

el: I have no position, I wanted to raise it to membership

Stephen Deerhake (.as): Would a Doodle poll be useful for this question?

el: do it on the email list

Stephen Deerhake (.as): Bye all!

Michele Neylon: bye all

Mirjana Tasic .rs: Bye

Svitlana Tkachenko, .UA: Bye

Danko Jevtovic: bye all, thaks

Martin Boyle: thanks & bye

Bart Boswinkel: Bye all

jaap akkerhuis: bye

Nick WS: bye

Garth MIller: bye

Barbara Povse: bye
